RE: Annual Rate Adjustment (CPI)

Dear Mayor Brasseaux,

The Amended Contract for COLLECTION AND DISPOSAL OF RESIDENTIAL SOLID WASTE INCLUDING RESIDENTIAL YARD WASTE AND WHITE GOODS WITHIN THE CITY LIMITS OF CARENCRO between BFI Waste Services, LLC (d/b/a Allied Waste Services of Acadiana) and the City of Carencro reads in part as follows:

"E. Notwithstanding the provisions of General Specifications, Section 5.00, the base residential rate effective December 1, 2011 shall be \$21.52 per unit per month. Section 5.03.01 shall be amended to reflect a change in the percentage increase rate from 5% to 4%, and no annual adjustment pursuant to Section 5.03.01 as hereby amended shall be made until December 1, 2012 ("Rate Modification Date")."

The present Base Residential Rate is \$22.38 per service unit per month. Applying the rate adjustment of 4.0%, the new Base Residential Rate effective December 1, 2013 is \$23.28 per service unit per month. Should you have any questions on the above or any other matters of which I can be of assistance, please do not hesitate to call.

Sincerely,

Bobby J. Guidry
Municipal Services Manager
